AIR/MILITARY

Radar Site at COTTBUS/STRIESOW.

Map References:

50X1-HUM

1. Immediately to the west of the village of STRIESOW (V.T. 4942), with its centre at about V.T. 486424 is an E.G.A. Radar site. Its eastern boundary is about 250 - 300 metres long, and runs roughly along the line of the road FEHROW/STRIESOW/BRIESEN and about 250 metres from it. A very rough estimate of the depth of the site (i.e. the length of its north and south boundaries) is 150 metres.

2. The site is surrounded by a wire-mesh fence, and contains about 100 men. On 16.7.60. there were 8 - 10 wooden huts on the site, and the following Radar Antennae: (see attached sketches and plan)

- a) No I on attachment: Tentatively identified as a TOKEN.
- b) No II on attachment: KNIFEREST. The antenna was revolving.
- c) No III on attachment: Unidentified.
- d) No IV on attachment: Unidentified.
- e) No V on attachment: Very tentatively identified as a FLATFACE.

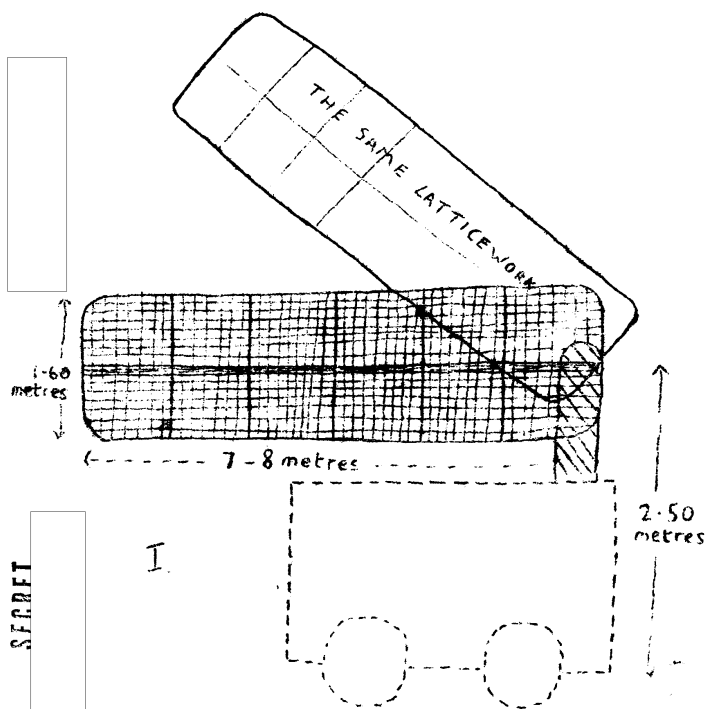

3. On 16.7.60. no particular activity was in evidence on the site, but a concrete-mixer was in action.
